Explanation of State Expenditures: (Revised) The Abraham Lincoln Bicentennial Commission will consist of 17 members: 6 legislative members, 8 lay members, and 3 state employees. Legislative members and lay members are entitled to per diem and reimbursement for traveling expenses. State employees appointed to the Commission are entitled to reimbursement for traveling expenses and other expenses incurred in connection with the member's duties. However, if all meetings were held in Indianapolis at the State Office Building Complex, there would be no additional mileage expense for state employees.

Expenses incurred by legislative members would be paid from appropriations made to the Legislative Council or the Legislative Services Agency. Expenses for other members would be paid from the appropriations made to the Department of Natural Resources (DNR). Due to the effective date, costs would not be incurred until FY 2006.

The DNR will staff the Commission. The Department will experience additional expenses associated with

providing and coordinating activities associated with the Abraham Lincoln Bicentennial celebration. The expenses of the Commission are to be paid from money appropriated to the DNR. The Commission expires January 1, 2010.
